Unique design signature

Impressive fashion shows

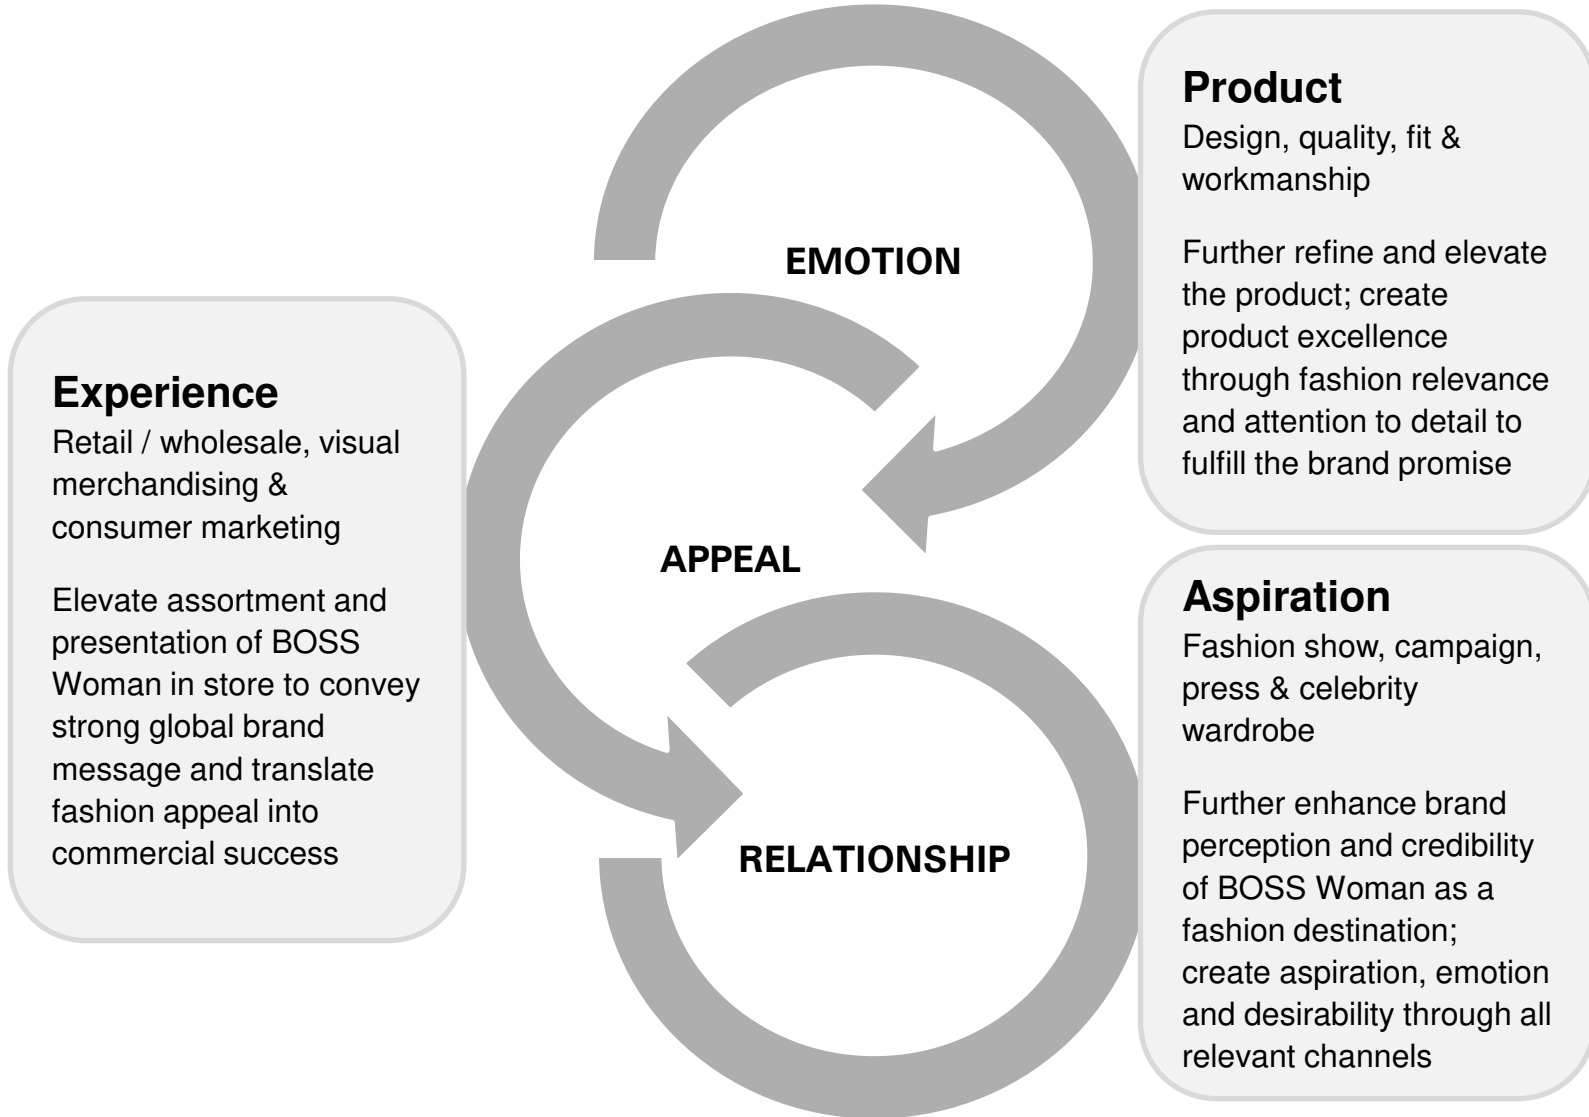

Strong editorial coverage

Step change in brand awareness and recognition as well as double-digit growth in 2014 strong foundation for expanding womenswear to at least 15% of Group sales in 2020

Three elements to drive womenswear growth

Elevation of in-store brand presentation

Experience: Retail / wholesale, visual merchandising & consumer marketing

- Global implementation of look concept under way
- Strong focus on retail staff training
- Development of dedicated womenswear store concept
- 27 ambassador stores to lead expansion of S&A offering

Added credibility turns BOSS into a fashion destination

Aspiration: Fashion show, campaign, press & celebrity wardrobe

- Focus on celebrity dressing to create desirability
- Fashion show, campaigns and PR to communicate unmistakable brand DNA across all channels
- Fashion credibility to benefit from close link between fashion show and commercial collection

Balanced approach to building the business with online specialists

- Close cooperation in creative design process ensures high quality of brand presentation
- Focus on brand lines other than BOSS core brand
- Wide reach and different consumer demographics provide access to new brand audience

- BOSS Orange to launch on TMALL.com by end of November
- Increases brand visibility based on TMALL's reach of almost 200 million consumers per month
- Drives brand awareness among younger audience
- Exploits brand potential in China outside of metropolitan areas
- Platform to communicate brand heritage and authority

Targeted expansion with online specialists effectively supplements own online distribution

Composition of wholesale business to change visibly

2013 sales by distribution channel

- Continued gains in share at leading department store partners
- Further shop-in-shop takeovers from department store partners
- Selective takeovers of mono-brand franchise operations
- Business with owner-operated specialist stores to shrink
- Targeted expansion with online specialists

Overall wholesale sales expected to develop stable to slightly negative over coming years

Growth strategy 2020 to drive further profitable growth

Elevate the BOSS core brand by engaging consumers emotionally

Leverage the brand's potential in womenswear and shoes & accessories

Build omni channel to drive own retail online and offline

Exploit growth opportunities in underpenetrated markets

Further build the Group's operational strength to enable key strategy implementation

Focus on gaining share in strongly growing, underpenetrated markets

Financial strategy and outlook

Group targeting high-single digit annual sales growth on average

Regions

- All regions expected to make positive contributions
- Asia forecasted to grow stronger than the Group average in the medium- and long-term

Distribution channels

- Retail to continue growing at a double-digit rate to at least 75% of Group sales by 2020
 - LFL increases
 - New openings
 - Takeovers
- Wholesale expected to decline gradually

Brand & Gender Lines

- Weight of core brand BOSS to increase further
- Luxury to expand to 20% of core brand BOSS sales by 2020
- Womenswear to grow at a double-digit rate to at least 15% of Group sales by 2020

High-single digit annual sales growth on average

Strong commitment to achievement of 25% EBITDA margin target

Comp store sales	<ul style="list-style-type: none"> Higher conversion rates and growing transaction sizes main sources of mid-single-digit sales growth, supporting operating leverage
Gross margin	<ul style="list-style-type: none"> Future increase driven predominantly by channel mix
Marketing	<ul style="list-style-type: none"> Expenditures to remain broadly stable relative to sales
Own retail	<ul style="list-style-type: none"> Expenditures to grow stronger than Group sales, but to decline relative to Retail sales
Other opex	<ul style="list-style-type: none"> Efficiency gains in logistics and disciplined cost management to support growth lower than sales
Non-operating items	<ul style="list-style-type: none"> Declining financial expenses and stable tax rate to support EPS increases higher than EBITDA growth

Free cash flow
(in EUR million)

Ongoing support from profit growth and tight working capital management

Net debt and annual rent payments moving in opposite directions

Net debt

(in EUR million)

- Reflects strong free cash flow
- Decline despite steady increase of dividend payouts

Rent expenses under operating

lease obligations (in EUR million)

- Vast majority of annual lease payments relate to own retail
- Retail expansion has driven rent increases over the last few years

Adjusted financial leverage has remained stable over the last two years

Financial leverage

- Management comfortable with current adjusted financial leverage
- Further improvement expected in coming years
- Increased flexibility for even higher shareholder returns once adjusted financial leverage falls below 1x

Operating leases = Future committed operating lease obligations capitalized according to S&P methodology
 EBITDAR = EBITDA + minimum rents + contingent rents

HUGO BOSS to maintain industry-leading dividend payout

Dividend* and payout ratio

Dividend policy to pay out between 60% and 80% of consolidated net income reconfirmed

* Excluding special dividend // ** As a percentage of net profit attributable to the shareholders of the parent company

Strong financial performance set to continue in future years

- Key initiatives defined to capitalize on multi-faceted growth opportunities even in an overall challenging macro and industry environment
- Clear roadmap in place for generation of high-single digit sales growth annually and achievement of 25% EBITDA margin
- Expected future free cash flow generation to increase flexibility for even higher cash returns
