Strategic outlook 2016

Financial outlook 2016

Cautious customer spending and specific market challenges affect quarterly results

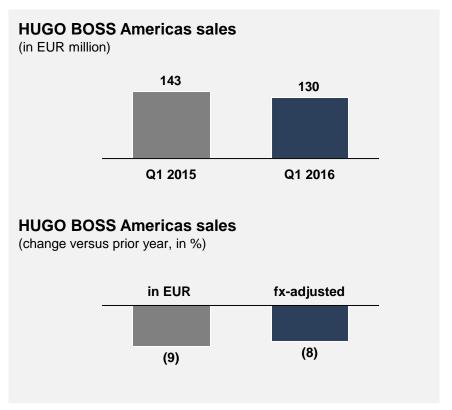

Mixed started to the year in Europe

- Weakness in tourism compounds moderation of local demand
- UK continues growing solidly despite more difficult market backdrop, Italy outperforming
- Sales decline in the Benelux markets and France

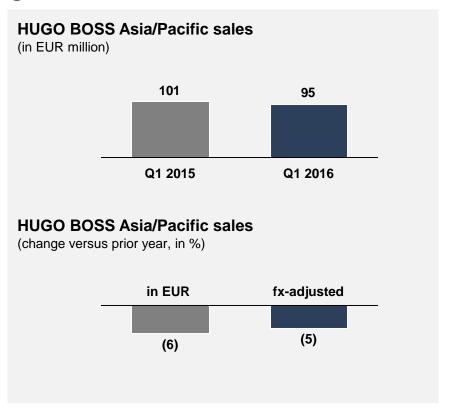

Weakness in the US drags down performance in the Americas

- Robust sales growth in Canada and Central & Latin America
- US business declines across wholesale and own retail channels
- Measures to upgrade distribution in the wholesale channel under way reduction of off-price business, category migration, expansion of concession business model

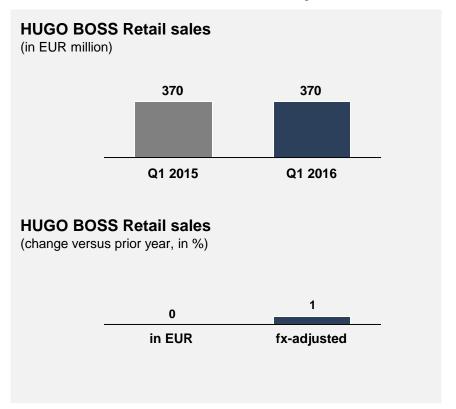

Encouraging consumer reception of price changes in China and Asia

- Solid growth in Japan, momentum in South Korea improves significantly
- Sales in Hong Kong and Macau decline substantially
- Price adjustment and digital marketing focus support strong volume increase in China

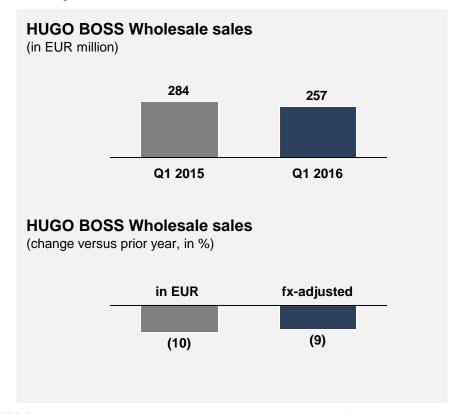

Own retail business grows moderately due to sales contribution from new space

- Comp store sales down 6% on a currency-adjusted basis in the first quarter
- Growth of online business in line with the rest of own retail, insourcing of fulfillment in Europe completed successfully
- Pace of store expansion forecast to moderate in 2016

Cautious ordering behavior and takeover effects impact wholesale sales

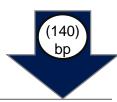

- US wholesale business declines at a double-digit rate
- Cautious retailer sentiment also in Europe
- Takeovers cause shift of sales into own retail business

Significant operating deleverage despite tighter cost management

Number of own retail stores in China (Dec 31, 2015)

Price adjustments further strengthen the brand's value proposition in Asia/Pacific

- 20% price reduction implemented with the launch of the Spring 2016 collection supports 10% volume increase in Mainland China in the first quarter
- Step up of social media and CRM activities contributes to traffic stabilization
- Smaller adjustments in remaining Asian markets ex Australia and Japan

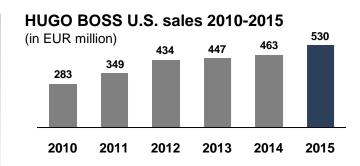

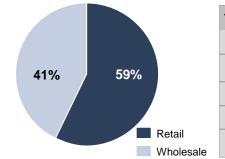

Upgrade of distribution in U.S. wholesale initiated

- Category migration limits exposure of BOSS core brand to promotional retail environment
- Concession agreement with Macy's in place since the end of January
- BOSS core brand presence in off-price concepts to become significantly smaller

Forward looking statements contain risks

This document contains forward-looking statements that reflect management's current views with respect to future events. The words "anticipate ", "assume ", "believe", "estimate", "expect", "intend", "may", "plan", "project", "should", and similar expressions identify forward-looking statements. Such statements are subject to risks and uncertainties. If any of these or other risks and uncertainties occur, or if the assumptions underlying any of these statements prove incorrect, then actual results may be materially different from those expressed or implied by such statements. We do not intend or assume any obligation to update any forward-looking statement, which speaks only as of the date on which it is made.
