90

% of European retail business omnichannel-enabled

Positive reaction from wholesale partners to new Spring/Summer 2018 collection

- Orders for athleisure wear up at double-digit rates
-
- HUGO orders up solidly driven by double-digit increase in casualwear
-
- Overall order book broadly stable y-o-y, outperforming the global wholesale market

Store renovations will upgrade own retail network

Openings

- 10-15 freestanding store openings will strengthen the network
- First HUGO stores will open in key European cities from 2018 onwards

Closures

- 15 of 20 stores designated for closure will be closed by year-end
- Profitability of remaining five stores has improved significantly
- Additional store closures based on expiration of rental contract

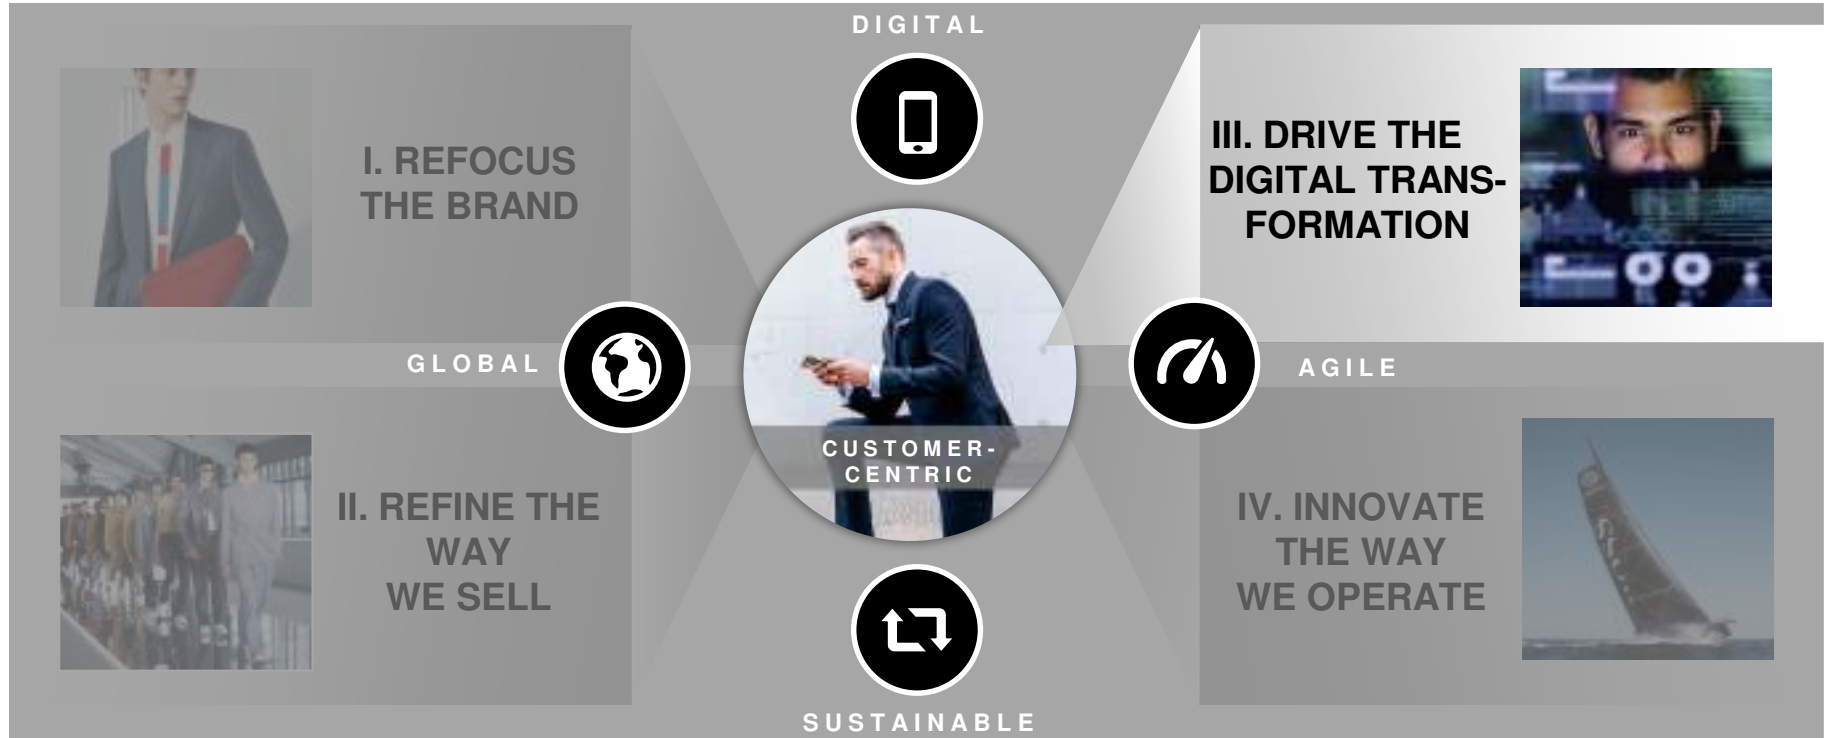

Renovations

- Renovations to account for the bulk of retail investments

► Own retail selling space will remain largely stable going forward

Strategic Fields of Action

Digital transformation comprises the entire value chain

**Product & collection
development**

**Sourcing
and production**

**Distribution
and logistics**

**Own retail and
wholesale distribution**

Increasing use of virtual prototyping accelerates collection development

- Improved communication flow with suppliers
- Reduction of mock-ups and prototypes
- 100% of HUGO shirt, neckwear and knitwear offering digitalized

Production facility in Izmir is developing into a “smart factory”

Key elements of logistics infrastructure upgraded or renewed

European flat-packed goods
distribution center
Filderstadt, Germany

New construction
completed in 2014

US distribution center
**Midway (Georgia),
United States**

SAP implementation
completed in 2017

2014

2016

2017

European e-Com and
B-pool distribution center
**Wendlingen,
Germany**

Refurbishment
completed in 2016

New store concepts create strong link between physical and digital retailing

HUGO digital showroom with full order functionality went live in October

Strategic Fields of Action

Digital showroom development demonstrates adoption of new ways of working

- Strict focus on customer value
- Delegation of decision making power
- Use of Scrum methodology

Speed drives commercial success

Senior management changes brought new expertise to the company

Filippo Bernasconi
Director Brand & Creative Management
Shoes and Leather
(formerly at Bally)

Tony Lucia
